Company: Digital division pakistan

Tools: React Native

This is the project which currently I'm doing here. This Project is for Camera streaming... I will add more details soon.......

Aqua Stream	Feb 2022 - Present (6 months)

Company: Digital division pakistan / company privacy

Tools: ReactJs, React Native, NodeJs

It was a project of water filters. where we buid admin panel and Mobile App using React Native. If some wants filter in his home or want some spear parts, he can order and expert will reach his home and anyghng user want. User can also pay his dues and if he wants to send payment later these payments will save and everyone have data of it. It has more fantasy feaures

Medcom	Dec 2021 - Mar 2022 (3 months)

Company: Digital division pakistan / Company Privacy

Tools: ReactJs, React Native, NodeJs

That was a Medical Project. where we build Amdin Panel, User Panel and Mobile App. In this project user can see his nearest clinics and book appointment if clinic and doctor availabe. It has all features related medical fileds. Not for only users but also for every single clinic's staff as well. We also implement standard chat in this Project.

CsForMa	Jun 2021 - Nov 2021 (5 months)

Company: Digital division pakistan / Comapny Privacy

Tools: React.Js, NodeJs

That was project for Education System. Where we have various types of users like Educator, Instructor and more. It has great features like Attendance etc

Todo App	Oct 2020 - Nov 2020 (1 month)

https://hopeful-dijkstra-cded92.netlify.app/

Tools: HTML, CSS, JavaScript

Those days when I was learning at Home. I create this simple Todo App

TypeWriter	Aug 2020 - Sep 2020 (1 month)

https://eloquent-sammet-11cf2e.netlify.app/

Tools: HTML5, CSS3 & javaScript

This was another from my learning days
